Whether it is **hiking, biking, gardening** or **shopping**, do not let joint pain keep you or your loved one from living an active life.

EvergreenHealth's minimally invasive, computer-assisted treatments for knee and hip replacement mean smaller incisions, less pain and a quicker recovery-getting you back to the activities you love. You are invited to this information session in your community, led by physicians of the EvergreenHealth Hip and Knee Replacement Program.

January 30, 2014 • 6:30 - 8:30 p.m.

EvergreenHealth Medical Center • 12040 NE 128th Street • Kirkland, WA 98034

Speaker: Jeff Stickney, MD
